

The flexibility you need in today's workplace

Easy-access location: Route 59 @ I-88, Naperville
Western East/West Corridor Submarket

SMALL BUSINESS SOLUTIONS

There are nearly 35 million small businesses in the United States according to the US Small Business Administration. Of these, 82% are classified by the SBA as "non-employer businesses" and, within this classification, professional & technical services top the list with 3.7 million businesses, according to US Census Bureau data.

CityGate Centre offers options for small businesses to enjoy the prestige of a business address that puts them among leading area companies such as Calamos Investments, M/I Homes, SIMPSON, PMA Financial, Investortools and Jack Morton.

Housed at 2020 Calamos Ct., the prestigious Calamos Investments building, Primacy Business Center's services support on-site, hybrid and off-site businesses with:

- Private offices and small suites with available administrative support.
- Virtual office address with optional mail forwarding and phone answering for home-based businesses.
- Conference room, day office and training suite rentals ideal for meetings, presentations, depositions and workshops.

In the cornerstone of CityGate Centre, 2135 CityGate Ln., CityGate Flex is a shared suite of private, turnkey offices housing a number of small businesses in a Class-A building with variable terms, managed by Primacy Business Center for Calamos Real Estate.

Need something bigger? Calamos Real Estate has suites ranging from roughly 1,100 sf to more than 6,700 sf at CityGate Centre, and its brokers can help you find the right fit throughout DuPage County and the Greater Chicago area.
